Performance Innovation Tournament, a first-of-its-kind tournament. Here research and athletics come together to innovate in the area of human performance.

$150,000 available in funding for faculty and students working on Pitt research. Innovations that enhance training, reduce injuries, increase physical and mental strength and endurance and ultimately improve human performance will be considered.

Join us for an upcoming information session at the Innovation Institute

Feb 21 | 2:00-3:00 pm
Mar 1 | 12:00-1:00 pm
