

TERRA ROBLES

PASO ROBLES, CALIFORNIA

2017 CHARDONNAY

WINEMAKING

A combination of tank and barrel fermentation with 50% of the wine aged in French and American oak.

TASTING NOTES

Featuring pear, apple and peach aromas with a hint of vanilla spice, our Chardonnay is a bright straw-gold color. Rich from barrel fermentation and aging, this wine shows peach, pear and butterscotch flavors. The wine is round, medium-bodied with balancing acidity and toasty oak that lengthens the finish.
