**Are You Up to Date and Safe to Practice?** Sleep professionals, especially managers, need a clear understanding of how quality, safety and regulatory compliance issues impact sleep center operations. This 8 hour, 8 CRCE and/or 8 CEC course provides a feel for the perspective of both patients and families and an understanding of the impact of quality and safety on staff morale, patient satisfaction and laboratory operations. The price of this special 8-hour course will be \$375 and will include continental breakfast, lunch, snack breaks, all materials and a certificate of completion at the end of the program. Those who register for *both* this course and any part of the FOCUS conference which begins the next day, receive a 20% discount off the price of BOTH programs, so consider registering for this informative program then staying for one or both days of the FOCUS conference.
