## **USB Charger/Tamper Resistant Receptacle**

### **The New Standard for Powerful Charging**

#### **Smart, reliable charging from the brand you trust.**

The Type A and Type-C™ USB Charger/Tamper Resistant Receptacle offers superior charging power for smartphones, tablets, laptops, monitors, printers and more. Two high powered vertical USB Ports, one Type A and one Type-C, deliver a combined total of 5.1A charging current and 25+ watts of power. Smart chip technology recognizes and optimizes the charging requirements of individual devices and the Type-C port enables the cables to be inserted easily in either direction.

The Type A and Type-C™ USB Charger/Tamper Resistant Receptacle is a powerful solution to help keep your devices charged with ease and style.

#### **Features**

- Smart chip technology recognizes and optimizes the charging requirements of individual devices including Apple, Samsung, Nexus, Pixel and more
- The Type-C Port provides up to 59% faster charging power versus competitors
- One Type A Port and one Type-C Port; combined total of 5.1A of charging power
- Type-C Port can charge maximum 3 Amps @ 5V
- Type A Port can charge maximum 2.4 Amps @ 5V
- Tamper Resistant improves child safety – built-in shutter prevents access by most non-rated/foreign objects
- USB Ports tested to withstand over 10,000 insertions
- Charges most Type A and Type-C USB powered devices
- Type-C Port permits the cables to be inserted easily in either direction
- Charging time may be affected by the charge cord used.
- Leviton recommends using the cord provided with the device
- Hospital Grade models available with brass self-grounding clip to ensure secure and reliable performance
- Compatible with Decora® wallplates and Decora Plus™ screwless wallplates
- Ideal for residential and commercial applications including kitchens, bedrooms, home offices, college dormitories, airport lounges, hospitals, salons and spas, hotels, meeting rooms, cafes, restaurants and more
