Heavy-Duty Diagonal-Cutters

Reinforced Head for Increased Durability

Thicker forging for longer tool life

This heavy-duty diagonal-cutter will last longer and perform more cuts over time than standard diagonal cutters.

- 57% more cutting surface
- Extra-long cutting blades provide greater cutting ability
- High-leverage design has 46% more cutting power

Innovative dual material Journeyman™ grips are more comfortable and last longer than other handles.

JOURNEYMAN™

Hot-riveted joint for smooth action and no handle wobble.

Induction hardened cutting knives cut ACSR, screws, nails, and most hardened wire.

Exclusive handle tempering absorbs the "snap" when cutting wire.

2000™ series
HEAVY-DUTY CUTTING
