Pauluhn Apex

**Linear, high bay LED luminaires designed for
harsh & heavy industrial applications**

Why Pauluhn Apex LED?

Rugged high bay solutions. Pauluhn Apex LED luminaires are engineered to provide maintenance-free performance, while delivering long life and high lumen output for industrial applications.

Innovative design for demanding applications:

- Angled light fixture mitigates debris build-up
- Robust design withstands high pressure wash down, and food rated paint maintains safety

Improved performance and reduced costs:

- 100+ lumens per watt provides highly efficient lighting
- Rated life is up to 60,000 hours of maintenance-free and safe operation

Easily customized for application-specific performance:

- Versatile mounting options with a through feed design for simplified multiple fixture wiring
- Dimmable and occupancy sensor configurations available to reduce energy consumption
