Allure Collection

Conestoga's Allure Collection of Decorative Laminate Veneer doors and accessories has evolved to an extraordinary new level of textural appeal. Three degrees of texture range from satin smooth to the dramatic registered & indexed that are simply captivating. Allure now includes 22 door designs with multiple framing widths, brilliant colors and grain patterns, including solid colors and glazed product offerings. Who knew such beautiful, dependable products could be so perfectly alluring?

Complementary Products

Edgeband Rolls

Veneer

- The Allure Collection offers more colors and grain patterns than ever before, all with a 5-year limited warranty.
- Price point 35% to 55% below comparable finished wood products.
- 5-piece 45° miter and the new 90° drill & dowel joint construction far surpass ordinary thermofoil products.
- Engineered for dimensional stability – won't expand and contract like solid wood.
- Durability exceeding both the KCMA and NEMA scratch and dent resistance standards.
- Exceptional heat resistance – oven tested not to delaminate at temperatures well beyond thermofoils.
- Proven colorfastness with a UV protectant that inhibits fading, allowing seamless add-ons or replacements for years.
- Environmentally friendly – reclaimed and recycled substrate materials. TSCA and CARB compliant, LEED credit eligible.
- Household safe – most door and drawer front framings are resistant to mold, mildew and bacteria with diminished formaldehyde off-gassing.
