How to Change the Language

Kardex Power Pick System

kardex remstar

How to Change the Language

The Kardex Power Pick System can support multiple languages, including:

- English
- Spanish
- French
- Chinese
- Czech
- Danish
- Dutch
- Finnish
- German
- Hungarian
- Italian
- Norwegian
- Polish
- Romanian
- Russian
- Slovenian
- Swedish
- Turkish

By default the Kardex Power Pick System supports English and German. For additional languages, call software support to have the desired language pack installed. Only languages with the corresponding service packs will appear in any of the language drop down menus.

Change Language from English to Another Language

To change the default language for the entire instance of the Kardex Power Pick System, follow these easy steps. To change the language for one specific user, see the next section below.

Please note: Only installed languages will appear in the language drop down menus. To install additional languages please contact software support.

Change Language for a Specific User Only

In some cases, you might want to change the language for one user profile without changing the language of the entire Kardex Power Pick System. No problem! To do this follow the steps below.

To get started, In the Kardex Power Pick System select Management, then User.

Expand Groups, then expand the group the desired user is assigned to.

er Pick Global - System User (Master Owner)	(Service Mode Enabled)		
ation Management Order Storage	Reporting Tools Help		
tup 🐗 Exit			
anagement			User Management
ser Management			User management
iroups	UserDetails		
Iperators B			New Use
	User Name: PPO	User is inactive	
			Rename
	Password:	Full Name:	Renam
	Confirm Password:	Description:	Save
			6.1
	Group: Operators		
			Deleta
	Language: Ergonom	al Height: Owner:	
	Default		Can
	Deutsch (Deutschland)	Command Rights	
	English (United States)	Inherit Group Command Rights ✓ Allocation Analyser.	
		- Autobook	i la companya de la c
	Carrier Access Denied	Gercode Management Command Gercode Management	E
	V Inherit Group Access Rights	⊕-	
	MyWarehouse	Change Trading Clent Management Commands	
		Cost Center Management Commands	
		Count Order Management Commands Order Transfer	
		- Vlagnostics	
		Orvisble Bin Designer Commands Orvisole Database Fields	
		V Inherit Group Startup Commands	17
		r- 🗌 Autobook

Select the desired language from the drop down menu.

Click Save User on the right of the screen.

Kardex Power Pick System- How to Change the Language_2022.docx

Setting a default language for a user will override the Kardex Power Pick System language setting - meaning whenever a user logs in it will automatically switch from the system language setting to the users default language.

Changing Language from German to English

If you find your Kardex Power Pick System in German and need it to be in English, follow these steps:

To get started in the Kardex Power Pick System select Anwendung (Application), Then select Benutzer wechseln (Change User)

An	wendung	Verwaltung	Aufträge	Lagern	Berichtswesen	Werkzeuge	Hilfe
A	Startbilds	chirm anzeigen					
-	Benutzer	wechseln					
**	Mandant	wechseln	- ×				
-	Beenden	Ctrl+	Q				

Benutzername:	Your Username	
Passwort:		
Mandant:		-
Arbeitsstation:		-
Sprache:	English (United States)	
🗸 ок	Abbrechen	

Enter your User Name (Benutzername)

Enter your Password (Passwort)

Kardex Power Pick System- How to Change the Language_2022.docx Click the drop-down arrow next to Sprache (Language) and select English

Click OK when done

You will be logged into Power Pick and using English as the language. The language will remain in English when you sign out and back in unless it is changed.
