

BOOTH GUIDELINES

BOOTHS All Booths are a uniform 6'x8' with 8' high back drape and 4' high side rails. Exhibitors will be provided with a standard 6'x 30" draped table. HARDI provides a standard company identifying sign for the rear drape of your booth. A draped table, two chairs and a wastebasket are provided for each booth. No pop- up booths are permitted. Additional furniture is not permitted. Individual booths will not have access to internet.

SMALL PRODUCT DISPLAY & MERCHANDISE Product display must fit within the size of your table top. Displays may not be more than 4-feet high from the top of the table. Exhibitors may also use their table top area to display whatever company literature, products, samples, giveaways or information that is not in violation of local fire or safety ordinances and that can fit within the confines of the exhibit table top, including space for exhibiting employees. Exhibits may include banners, however they cannot exceed 8' high and must also fit within the confines of the booth. Exhibits may not contain any hazardous materials and may not produce noise levels that would be intrusive of other table tops.

MOVE IN/MOVE OUT Exhibitors may move materials into their table tops on Monday, December 9, beginning at 10:00 AM. Conference Booth hours are Monday, December 9, 1:30 – 5:00 PM. Move-out must begin promptly at 5:00 PM following the booth program.

ELECTRICITY For the first time in HARDI history, you will have the option to purchase access to power for your booth. Information and pricing will be included in your booth confirmation materials.

BOOTH PERSONNEL Policy-level executives may be assisted in their booth by registered company employees or manufacturer's representatives. Badges shall only be worn by the individual to whom it was issued. Individuals who allow others to use his/her badge will be fined a full conference booth fee, and the firm/firms involved will be prohibited from participating in next year's Conference Booth Program.
