If the enrollment is longer than 10 months then the health cover is for 60 calendar days after course end date. The health cover end date after the course end date is based on the number of weeks of holiday DHA allows based on your enrolment duration.
3. The start and end day of health cover should always be a Monday and in some cases it might be necessary to add one or two more weeks to cover the duration of stay if there are holidays included at the end of the course enrollment.
4. Greenwich College receives the cost for the total duration of the health cover from the health insurance provider portal.
5. It is the student's responsibility to collect their health cover policy certificate from the Student Services at Greenwich College upon arrival and activate the policy as described in their policy certificate.
