# ENGLISH

## ENGLISH FOR PROGRAMMING

- Describe what programming does and how it fits with and into software
- List and describe different types of programming and programming languages
- Use variables, functions loops, and lists in very simple applications
- Discuss a basic programming issue with a programming professional

### ADD MORE TO YOUR COURSE

#### WEEKLY WORKSHOPS

Walk away with a simple  
Android App

#### CAREER HUB

Be ready to find work. The  
workshops focus on giving you  
all the essential tools - from  
CV and cover letter writing to  
interview practice

#### PROFESSIONAL SPEAKING CLUB

Give your speaking skills a  
boost with an additional  
2 hours of work-related  
speaking

Your success starts at Greenwich | [greenwichcollege.edu.au](https://greenwichcollege.edu.au) | [info@greenwichcollege.edu.au](mailto:info@greenwichcollege.edu.au)

## ENGLISH FOR PROGRAMMING

### ENGLISH FOR PROGRAMMING

#### Week 1 | Computing

(Computer Users, Computer Architecture, Peripherals)

#### Week 2 | Applications and Operating Systems

(Operating Systems, Graphical User Interfaces, Applications programs)

#### Week 3 | Software Engineering

(Design Concepts, Programming Languages, Data Security, Coding)

#### Week 4 | People in Computing

(Computing Jobs, Job Requirements, CV Writing + Job Interviews, The future of IT)

#### DURATION

4 WEEK MODULE

#### DAY & EVENING

TIMETABLE

#### INTAKES FROM

MAY 2019

### COURSE CONTENT

This course introduces students to programming principles and the surrounding terms and language.

Embrace the history of programming, and the programming landscape as it is today.

Experience first hand and learn the basic processes used as a platform to build on with later skills. Learn introductory general syntax and specific industry language.

### AIT WORKSHOPS

Our exclusive AIT workshops are the perfect way to get your hands on modern Creative Technology with the help of the experts at AIT!

More and more of us are finding that coding and programming are creeping into our industries.

It might be as simple as macros in Word or formulas in Excel, it might be making a little adjustment to a web-site, or turbocharging your statistics software!

#### ENTRY REQUIREMENT:

Suits Intermediate students (IELTS 5.0) to Upper Intermediate students (IELTS 6.0) or equivalent in the Greenwich English College Placement Test (Available at the College or online).
