HIP HOP DANCE CLASS

Club Description

This class is full of energy, fun and cool moves. Audrey Moreno the experienced, successful and passionate hip hop dance teacher will teach children how to move with style, whilst letting off excess energy and connecting with peers. Audrey's enthusiastic and positive attitude towards life is contagious and is reflected in her classes. This class is suitable for all levels and motivates children to express themselves fully without judgment. This club is a perfect treat to end the school week!

Why HIP HOP?

- Hip hop gives children an outlet to express themselves and their emotions creatively.
- Children can create their own dance combinations and moves to the beat of the music.
- Dancing gets the heart rate up which builds fitness.
- Group dancing can be a great way for children to develop social skills.
- Strength, flexibility, co-ordination and muscle memory is built through dance.
