## PIANO TUITION

Chueja Furrer has over 30 years of piano teaching experience, and offers a child friendly approach to learning the piano using the Suzuki method. Teaching from the age of 3 up to adulthood, Chueja adapts her teaching to the individual's needs. Developing musical abilities and appreciation from a young age is a fundamental foundation for every child. Learning the piano develops: rhythm and understanding of sequences and patterns, reading skills, language development, fine motor skills and improves dexterity and hand-eye coordination. Playing music is not only rewarding for children but has been shown to reduce stress.

- 30 or 45 minute per class - time must be booked and set for the semester
- ABRSM piano exam and music theory preparation at any level
- German or English tuition
- Provides methods for parents to help their child practice at home
- Suzuki method of piano teaching
- Individual teaching tailored for the student
- 1 to 1 tuition and guidance
