

# UneeQ Q&A

**Q: When will the new name change be made 'official'?**

As of 21 August 2019, we will officially be known as UneeQ.

**Q: What will happen to the FaceMe brand?**

We will 'retire' the FaceMe brand in a staged manner. This will include the launch of a new website – so watch this space!

We have a 'holding page' in place for our new websites for now:

[www.digitalhumans.com](http://www.digitalhumans.com)

[www.uneeq.com](http://www.uneeq.com).

**Q: Are all your email addresses changing?**

Eventually, but @faceme.com addresses will still be used for now, so do continue to correspond with us as you always have.

After the changeover, your email service will pick up the new addresses for future replies.

**Q: How do I tap into your global team to support my business and expand into other regions?**

Your local UneeQ sales team are available to discuss any opportunities outside of our current markets. Please get in touch with them if you have any questions.

**Q: Do my contractual agreements with FaceMe change?**

No. All contractual agreements (including SOW, etc.) remain in place. Going forward, we will transition all documentation/on-boarding materials in a phased manner.
