ISLAND LIFE COLLECTION

— BY ANNA LUCIA RICHARDSON —

The Island Life Collection by Anna Lucia Richardson embodies the true Caribbean island life. The gorgeous fabric patterns and textures transport you to the islands through bright, tropical colors. Inspired by the red roofs of Saba in Anna's grandmother's birth island, the vibrant flamboyant tree, her love of bougainvillea, and the lush gardens of Martinique. With linen patterns inspired by wide-brimmed hats, exotic fruits, and the flora and fauna of the Caribbean, this collection transports you to an island oasis.
