

## Netflix Branded Remote Control

To make access of Netflix even more convenient, you can instantly access Netflix by pressing the Netflix button on the Netflix remote control. (If you have the Netflix app available through the Elevate UI and haven't received a Netflix branded remote control, contact your service provider.)

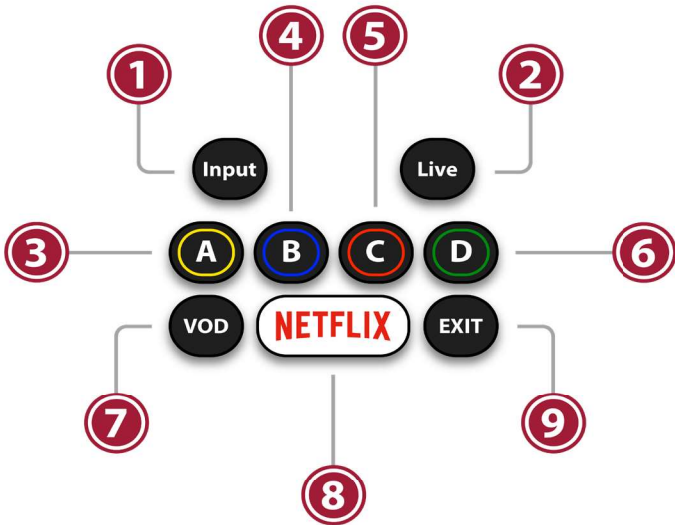

## Pairing the Netflix Remote

### To pair the remote:

1. Point the remote at the media player and press and hold the Mute button and Up arrow until the Power button blinks rapidly.
2. After a few seconds, you will see a message on the screen that the remote has been successfully paired with your media player.
