## Getting The Edge on Removables: Protocol, Procedure and Patient Satisfaction

Dennis Urban, CDT

Upon completion, each attendee will gain a better understanding of:

- Material science and selection
- Digital dentures
- Printed dentures
- Occlusion
- Attachment systems
- Aesthetic metal-free partials
- Protocol and procedure on denture chairside conversions
- Milled bar design

*Dennis will also provide a hands-on conversion demonstration*

This informative seminar is a must for the dentist who wants to increase removable caseloads with higher profits, better aesthetics, and less chair time. This seminar will include comprehensive, proven successful techniques on high end full and partial dentures, implant overdentures and hybrid dentures.

Maintain the competitive edge needed in the removable market and interact for the best feedback to achieve the ultimate goal of patient satisfaction.

### ABOUT THE SPEAKER

Dennis Urban, CDT has more than 40 years of expertise in dental technology. Dennis has managed successful dental laboratories, including technical training, sales, marketing, product development and quality assurance. Dennis has lectured to dental professionals worldwide since 1985.

Many of Dennis' topics are presented from his first-hand experience in owning and operating a full-service dental lab on Long Island. His lectures span a wide range of topics in dental technology including denture set-ups, lingualized occlusion, denture processing, implant over-dentures, bar designs, All on 4™, shade communication, occlusion and soft liners. Dennis has also been published in numerous dental journals in the

USA, Canada and Europe. He has also held the President position for the Long Island Dental Laboratory Association and the State of New York Dental Laboratory Association. Dennis is formerly a Cal Lab board member and currently serves on the National Dental Technology Board of Certification as Vice President.

Dennis was the recipient of the 2007 NADL Excellence in Education Award and was also a nominee for the 2012 NADL Educator of the Year. He was also a nominee for the 2012 and 2013 NADL CDT of the Year.

Dennis resides in Stony Brook, New York, on Long Island.
