Rates are effective as of 05/12/2020 and are subject to change. Rates may vary by premium, guarantee period and/or surrender charge period.

1. Premium bonus may vary by annuity product, premium band and surrender charge period selected and may be subject to a premium bonus recapture. Products that have premium bonuses may offer lower credited interest rates, lower index cap rates, lower participation rates and/or greater index margins than products that don't offer a premium bonus. Over time and under certain scenarios the amount of the premium bonus may be offset by the lower credited interest rates, lower index cap rates, lower Participation Rates and/or greater index margins.
