

Question 1: When will I receive my booth number?

Answer 1: Booth numbers will be provided 1 to 1.5 months prior to the event, when the hall is almost completely sold out. We do our best to take all booth preferences into consideration when assigning, however we CANNOT guarantee you will be given your preferences. It is our top priority to place competitors away from each other.

Question 2: What forms are mandatory?

Answer 2: If you do not plan to ship any materials for your booth or utilize any power or audiovisual at your booth, none of the forms are mandatory. If you are planning on shipping materials, please see question #3 for which forms are necessary. If you would like to order power or audiovisual for your booth, please see questions #6 and #7, respectively, for which forms are necessary.
