

## Navigating and Leveraging Culture and Networks Schedule

**Note: Most graded activities are due the last day of the course. A few graded assignments, however, have deadlines before that.**

### WEEK 1: CULTURE (3.0 hrs)

In Week 1, you'll explore the abstract concept of culture and how leaders are the main architects of culture.

- **What is culture?**
- **How is culture created and communicated?**
- **How do you understand your current organization's culture?**
- **What are organizational subcultures?**
- **How and why does culture change?**

### WEEK 2: NETWORKS (3.0 hrs)

In Week 2, you'll learn about organizational networks and how these webs of relationships form to get things done.

- **What is a network? Why build a network?**
- **What are different types of networks?**
- **How do you build your network?**
- **How do you manage stakeholders?**

### WEEK 3: CHANGE MANAGEMENT SIMULATION (4.0 hrs)

In the third week you will participate in a change management simulation based. The simulation will test your ability to manage a change initiative within an organization. The lessons from this simulation can be applied to your own change efforts.

- **Change Management Simulation**
