Makes 24

Ingredients

3 Tbsp unsalted butter

1 10oz package mini marshmallows

½ tsp salt

1 tsp vanilla

6 cups Rice Krispies

Cake pop sticks

11oz bag white chocolate chips

Assorted sprinkles and/or candies

Directions

In a large nonstick pot, melt butter over medium heat. Add the marshmallows and stir until completely melted. Stir in the vanilla and salt. Remove from heat.

Add the Rice Krispies all at once and mix until evenly coated. Scrape into a buttered 8x8 inch square pan. Spread evenly using a buttered spatula, flattening the top. Cool completely.

Invert the square of Rice Krispie treats onto a cutting board. Cut into 24 rectangles. Pour the white chocolate chips into a microwave-safe bowl, and heat in 15 second intervals at 50% power in the microwave, until melted. Dip the end of a cake pop stick into the melted white chocolate, then push into the short end of a rectangle. Place on a parchment-lined cookie sheet and let chocolate set.

Dip each Rice Krispie pop into the melted white chocolate (re-heating if necessary to be very fluid), scraping off any excess chocolate. Immediately decorate with sprinkles or other candies. Set back onto the parchment paper until chocolate has set.
