

# Bacon Wrapped Dates

FROM THE KITCHEN OF  
**DEBBIE MACOMBER**

These impressive (and deceptively easy to make!) appetizers are bursting with salty and sweet flavors. They are the perfect accompaniment to a glass of wine before dinner, or to add to a brunch or party spread.

**Makes 16**

## Ingredients

16 slices bacon

16 pitted dates

## Directions

Preheat the oven to 375°F. Line a baking sheet with aluminum foil.

Lay out a piece of bacon. Place a date at one end and roll it up in the bacon strip. Secure the bacon with a toothpick. Place the date on the prepared baking sheet.

Repeat with remaining dates and bacon.

Bake for 25-30 minutes, until the bacon is crisp. Remove from the baking sheet and serve warm or at room temperature.
