

We know things are going to be different next academic year, so we wanted to give you an overview of your Newcastle University experience for 2020/21

On Campus

For Your Safety

- Targeted cleaning across all campus facilities.
- Safety measures including physical distancing, screens, barriers, an early warning system, wipes and hand sanitiser. And we'll provide you with a washable, reusable face covering, thermometer and hand sanitiser.

Campus Helpers

Campus helpers on site to guide you and help you move around safely.

Food and Catering

Enhanced safety and physical distancing measures across all our campus catering outlets. And our Students' Union Campus Co-op store can deliver to you!

Student Life

Social Activities

Enjoy our Students' Union Welcome programme of activities when you arrive. And choose from 200+ clubs and societies, offering activities online and on campus.

University Accommodation

- Purpose-built study bedroom during your first year.
- Targeted cleaning in high contact areas to ensure your accommodation is clean and safe.
- Bookable arrival time on your allocated arrival day.

Sport Facilities

Our extensive indoor and outdoor sports facilities will open in line with government and National Governing Body (NGB) guidance as soon as it's safe to do so.

Student Support

Online Student Support Services, including Wellbeing, Finance and our award-winning Careers Service, so you can access one-to-one counselling appointments, online CV support and virtual finance advice sessions.

Your Support Network

All students have a personal tutor for academic support. And if you are a first year undergraduate, a peer mentor will help you settle in and make friends.

International Students

Meet and Greet*

We'll meet you at Newcastle Airport and make sure you can travel safely to campus.

**Meet and greet service must be booked in advance and is subject to availability.*

Quarantine

If you need to go into quarantine, we'll provide a full support package including food and a buddy to help you through it.

Accommodation Offer

For new undergraduate international students we can provide a safe, clean, purpose-built study bedroom for every year of your study.

Academic Life

Flexible Teaching

Enjoy a mixture of online and in-person, on-campus teaching. And if you can't make it to campus, no matter where you are in the country or the world, you can access your learning opportunities online, for most courses, in Semester 1.

Our Libraries

Our libraries will be opening soon, offering services including click and collect, click and post, contactless drop-off and access to our extensive e-resources.

Access to IT

- 3,000 spaces on our virtual cluster so you can access all the software you need from your own computer.
- Computer clusters and an eligibility-based long-term laptop loan scheme if you don't have your own laptop.
