

# Knowledge Series: Passive Investing

Passive investing has recently overtaken active investing in Funds under management in the US. Internationally, it is now commonly accepted that passive investing will deliver better outcomes for investors over the long term, though this wisdom is still challenged in the New Zealand market.

Our short presentation will cover:

- What is passive investing
- Benefits of passive vs active investing
- As a Kiwi Investor, how you can access passive funds

We would love to have you join us for this very important topic. Come along to learn a bit about Passive Investing, or maybe you just want to come for the networking and enjoy a drink on the Hobson Wealth balcony .
