Details, topics & sampling

Savanta:
Coronavirus Data Tracker - Introduction

Programme aim:
- To provide an accurate and up-to-date view of UK consumers during this unprecedented time
- To inform you with a daily tracker of key information; with a weekly in-depth survey to dig deeper in key topics of note each week

Daily tracker:
- 1,000+ UK respondents every day
- A consistent longitudinal view a number of behavioural and attitudinal measures to track the impact of the Coronavirus
- Results updated each day on our website, with full results provided as tables / reports

In-depth weekly surveys:
- Covers a series of rotating and ad-hoc questions to further understand and explore key issues raised each week
- Ability to add additional questions as needed

Savanta:

Daily tracker topics

Coronavirus spread
Self-diagnosis
Symptoms
Recovery

Concern & impact
Level of worry
Economic impact
Following advice

Home activity
Self-isolation
Home activities
Home working

Out-of-home activity
Visit family & friends
Retail / supermarket visits
Supermarket experience

News consumption
News sources
Trust in sources
Daily government briefings
Approval ratings
Approval of key figures
Approval of organisations
Industry support

Sample - by day

Coronavirus spread

Savanta:

Self-diagnosis of Coronavirus - over time
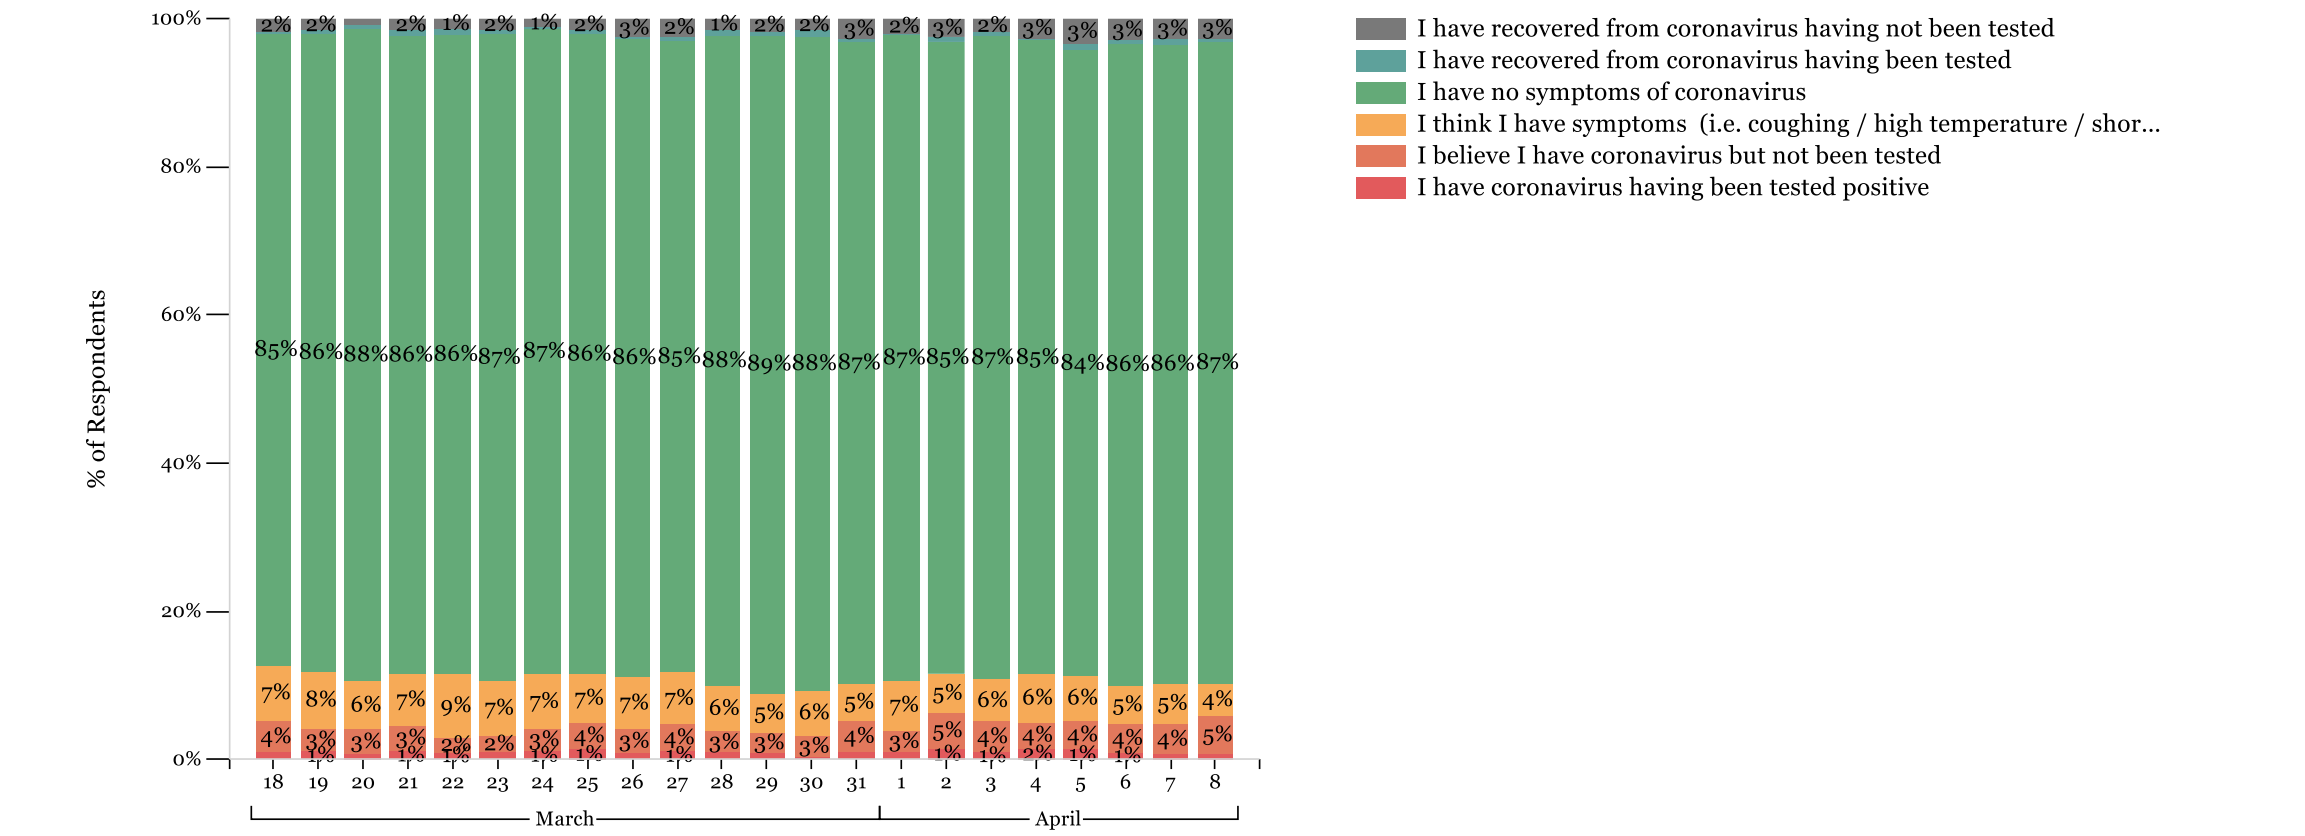

Which of the following best describes you regarding coronavirus (COVID-19)?

Profile: Self-diagnosis of Coronavirus (Wednesday 8th April)
Which of the following best describes you regarding coronavirus (COVID-19)?

Concern & impact
Savanta:

9 April, 2020

Level of worry about COVID-19 - over time

Given what you know about COVID-19, using a scale from 0 - 10, how worried are you (where 0 is not at all worried and 10 is the most worried you've ever been)?

9 April, 2020

Profile: Level of worry about COVID-19 (Wednesday 8th April)
Given what you know about COVID-19, using a scale from 0 - 10, how worried are you (where 0 is not at all worried and 10 is the most worried you've ever been)?

Worry about COVID-19 - over time
Given what you know about COVID-19, using a scale from 0 - 10, how worried are you (where 0 is not at all worried and 10 is the most worried you've ever been)?

Disposable income impact - over time
Has the COVID-19 virus impacted your disposable income (the amount of money you have left from your income after taking away money spent on ongoing bills)?

Profile: Disposable income impact (Wednesday 8th April)
Has the COVID-19 virus impacted your disposable income (the amount of money you have left from your income after taking away money spent on ongoing bills)?

15

Decreased disposable income - over time
Has the COVID-19 virus impacted your disposable income (the amount of money you have left from your income after taking away money spent on ongoing bills)?
% = It has decreased

Following government advice - over time
Given what you know about COVID-19, using a scale from 0 - 10, to what extent have you followed the government's advice (where 0 is not at all and 10 entirely)?

Profile: Following government advice (Wednesday 8th April)
Legend:
- Not at all
- Mostly not
- Sometimes
- Mostly
- Entirely

	Overall (N=1,370)	Male (N=668)	Female (N=698)	16-34 (N=445)	35-54 (N=427)	55+ (N=498)	Scotland+NI (N=160)	North (N=305)	Midlands + Wales (N=290)	South (N=418)	London (N=197)
