

**Luke Cann**

**Advisory Partner**

**luke.cann@nexiabt.com**

Luke joined Nexia BT's audit and assurance department in 2008. Over the years, his practical, hands-on approach was key in setting the foundation for his career. Prior to joining the advisory department Luke formed part of the team which was tasked at targeting specific service areas covering aviation and financial services. In 2014 Luke joined the advisory department as manager of the corporate finance team. He was later promoted to senior manager within the same department with specific focus on corporate finance and transaction advisory services. This period cultivated Luke's technical knowledge, dynamism and interest in developing and nurturing lasting client relationships which he considers to be an integral part of what defines him today.

Luke graduated from the University of Malta with an honours degree in Accountancy in 2008. In 2013, he obtained Masters in Financial Services from the University of Malta after submitting his dissertation on "The proposed European venture capital funds: a new opportunity?" His academic background coupled with his career development to-date, makes him technically competent, dynamic and most importantly a client-focused person.
