

Melvyn Darmanin

Advisory Services
Senior Manager

melvyn.darmanin@nexiabt.com

Melvyn graduated in Management with Honours from the University of Malta in 2007. After finishing his studies, he was employed within the public sector where he gained considerable experience in audit related work, as well as other investigative assignments. In 2013 he successfully finished reading for a Master of Science Degree in Financial Management from Edinburgh Business School, Heriot-Watt University. On 1st August 2013, he joined the Advisory Department within Nexia BT, where he currently holds the position of Senior Manager.

Melvyn is responsible for the coordination and management of various operational and financial restructuring engagements, leading the implementation of business process transformation exercises, for various private clients in different industries including catering, wholesale and retail, mechanical and engineering and logistics. At Nexia, Melvyn also manages a number of internal audit and first-level control engagements and setting up internal control systems. Melvyn has also considerable experience in project management having coordinated and managed the compilation of client bids in the transportation, catering, construction and education sectors.
