

# Discovery

## Engagement Description

**Discovery** curates high-quality startups that provide actionable solutions to your business opportunity area. The Discovery process leverages the RocketSpace global network and bespoke sourcing methodology to deliver the most relevant and quality startups to fulfill your innovation needs.

**Discovery Plus** curates, vets, and demos high-quality startups that provide feasible solutions to your business opportunity area.

## Key Phases & Timeline

## Key Deliverables

Receive one final curated recommendation of top startups that provide actionable solutions for your defined business opportunity area. Final recommendation is delivered via a comprehensive Discovery report.

Receive one final curated recommendation of top startups that provide actionable solutions for your defined business opportunity area. Final recommendation is delivered via an in-person Demo Day and a comprehensive Discovery report.
