Networking

Connections and Meetings are a core element of a successful event experience. We've made this as easy as possible distilling it down to just 4 simple steps to get a calendar full of meetings:

Request

Get recommendations, search and scroll through lists to request meetings for a time and date that works for you.

Accept

Receive incoming meeting requests via notifications or in your email and accept them to have them synced to your personal calendar.

Join

Virtual Meetings can be joined 5 minutes before the scheduled start time. You can join the meeting from your email or the platform by clicking:

Rate

Give anonymous feedback on your meeting with "Good", "Bad" or "Didn't Happen" and give a reason for your rating to qualify your post-event follow-ups.

PRO TIP

To get the best recommendations of people to meet and increase the chances that people accept your meetings one element is absolutely crucial: **complete your profile!**

Add a profile image, fill out your summary and select your preferences in the event-specific questions.

A screenshot of a "Request Meeting" form. It has a title "MEETING DETAILS" and four sections: "Date" with a dropdown menu showing "25th of February 2020"; "Time" with a dropdown menu showing "10:30 am - 11:00 am"; "Location" with a dropdown menu showing "Virtual Meeting Room"; and "Message" with a text input field containing the placeholder "Write why you would like to meet?". At the bottom is a large purple button labeled "Request Meeting".

A screenshot of a "Recommended for You" profile card for Daria Danilina. The card includes a profile picture, name, location (London, UK), and booth number (232). It lists her current role as "Summer Associate at Balderton Capital, MBA at London Business School, formerly Dropbox & HSBC" and provides three action buttons: "Meet", "Interested", and "Skip". Below the card, there are sections for "Potential Handshake" (noting Daria's interest), "Looking to meet" (listing interests like Venture Capital and Automotive Industry), "Interested in" (listing interests like AI and NLP), "Common Connections" (listing Steffan Ellay, John Doe, and Pablo Fernandez), and "Common Industry" (noting Daria works in Computer Software). At the bottom, there is a "Common connections" section with a small profile picture.

Besides being able to request meetings, mark people with "interested" or "skip". If someone is also interested in you, chat with them and grow your network!
