

Workers Compensation Management

ClubPay's Pay-As-You Go program eliminates large down payments and confusion associated with managing workers compensation premium payments.

The Benefits

ClubPay's Pay-As-You Go Premium Payment Program for Workers' Compensation allows you to change the way you manage your workers' compensation premium payments. It is a simple, effective and convenient service which helps to improve cash flow and eliminate the confusion associated with managing workers' compensation premium payments.

With Pay-As-You Go, premium payments are based on actual, not estimated, payroll data and rates set by the insurance carrier. Premiums are paid on a monthly basis, eliminating the need for a large up-front deposit that can be a financial burden to small and mid-size businesses.
