AL	Licensing	Y	N	Yes	Out of an abundance of caution for the health and wellbeing of the public, as well as our employees, we are asking taxpayers to limit in-person visits to our taxpayer service centers at this time. At this time, title applications from designated agents and salvage inspection applications will not be received in-person at the Montgomery Taxpayer Service Center. These applications must be mailed to the Motor Vehicle Division. By order of the Commissioner of the Department of Revenue on April 1, 2020, the deadline for annual registration and renewal of vehicles during the month of March and April 2020 has been extended through May 15, 2020. This extension includes the registration of vehicles purchased or otherwise acquired whereby the 20-day registration requirement falls during the period of March 17, 2020 through May 15, 2020. This extension also applies to motor vehicle registrations and renewals for vehicles registered under IRP. Registrants will also be granted an extension to surrender license plates under mandatory liability insurance law. Penalty charges associated with motor vehicle registrations and renewals and motor vehicle property tax payments extended through May 15, 2020 will not be charged until May 18, 2020. Due to concerns regarding COVID-19, the Georgia Motor Vehicle Division (MVD) is extending all motor vehicle registrations that expire between March 16, 2020, and May 14, 2020. Those registrations are extended through May 15, 2020. This extension applies to personal passenger vehicles, commercial vehicles, and vehicles registered in the Georgia International Registration Plan (IRP). The extension also applies to Temporary Operating Permits (TOPs) (also called "drive-off tags") issued at the time of a vehicle purchase. Registrations that expired before March 16, 2020 do not qualify for this extension. Due to concerns regarding the COVID-19 coronavirus, the Georgia Department of Revenue's Motor Vehicle Division (MVD) will not require motorists in Georgia who purchased a used motor vehicle in a private sale (sales not involving a licensed motor vehicle broker or dealer) on March 16, 2020 or later to have a license plate until after May 15, 2020. WA	Licensing	N	N	None	The Department of Licensing (DOL) is temporarily closing all driver licensing lobbies beginning March 31, in response to the COVID-19 pandemic. All appointments are being canceled at this time and no appointments will be made going forward. However, vehicle licensing offices (VLOs) are contracted through county auditors and may be open. VLOs handle vehicle tabs, boat decals, and new license plates, reports of vehicle sale or transfer of ownership, vehicle/boat registrations, trip permits, replacement titles, and disabled parking placards or tabs. Governor Insee has taken action to allow the DOL to temporarily extend the expiration dates of driver licenses. The DOL will send letters to persons whose driver license expired after March 1, and have not been renewed and to those who will expire through June 30. These card holders expiration date will be extended for an additional 90 days. The new expiration date will show up on your driver record if it is pulled up by law enforcement. WI	Licensing	Y	Y	Yes	All DMV Customer Service Centers will be closed to the public on Friday, March 20. DMVs will use this time to deep clean each location and modify office space to allow additional social distancing practices when the service centers reopen on Monday, March 23. To continue to meet legal requirements, while protecting the public and staff, the following changes will be implemented temporarily: <ul style="list-style-type: none"> • Driver licenses and CDLs that expire during this public health emergency will be automatically extended 60 days. Late fees will be waived. The driver record, visible to law enforcement, will show the extension and that the driver license is valid. • All driver skills tests are being cancelled as of March 18 until further notice. • Customers are being notified that Administrative Suspension hearings will be offered by telephone (or paper), not in-person. When Wisconsin DMVs reopen Monday, March 23, in-person customer service will be restricted, by appointment only, to: <ul style="list-style-type: none"> • New driver licenses • Issuing identification cards To reduce the need for travel and in-person interactions during the COVID 19 health emergency, Gov. WV	Licensing	Y	Y	None	The West Virginia Division of Motor Vehicles will close to the public beginning Thursday, March 19. Out of an abundance of caution, and in accordance with the most recent guidelines and best practices recommended by both the CDC and West Virginia Department of Health and Human Resources regarding COVID-19, this action will reduce exposure to both customers and employees. Many of the most requested DMV transactions can be performed online or mailed in and do not require a trip to a regional office. DMV Headquarters in Charleston will remain in operation with a smaller staff to continue all online and mail-in business transactions while maintaining social distance internally for employee safety. The DMV is also extending the expiration date of any driver's license, instructional permit, or vehicle registration with an expiration date in March or April of 2020 for three months from the date of expiration on the face of the document. However, DMV will continue to renew any of these items online or through the U.S. Mail as they come in. Per the West Virginia State Police, as a result of the COVID-19 (Coronavirus) Pandemic and gubernatorial executive stay-at-home mandates, a three month grace period will be given to WV citizens for motor vehicle inspection renewal. WY	Licensing	N	Y	None	To increase social distancing in support of the state's efforts to reduce the spread of COVID-19, the Wyoming Department of Transportation (WYDOT) urges the public to take advantage of the Executive Order Governor Mark Gordon issued allowing for a 90-day grace period for expired driver licenses and identification cards and not visit the Driver Services Offices for those and several related services during the outbreak. The Governor's Executive Order (2020-4), issued March 24, provides a 90-day grace period to those whose driver licenses and ID cards expire between March 15, 2020 through June 1, 2020. It also suspends non-commercial driving tests for 90 days and requires commercial tests to continue with the possibility of additional health-screening questions being asked.
