ABOUT ME

Indica or Indica Dominant Hybrid

Hybrid

Sativa or Sativa Dominant Hybrid

Extraction Process: Solventless

Consistency: Sandy Powder

TASTE/SCENT

WILL VARY BASED ON VARIETY

DESCRIPTION

Bubble Hash is a solventless cannabis extract made from our premium quality Sira cannabis flowers. The cannabis is agitated in ice water, and the resulting mixture is filtered and refined to separate the resin glands from the plant material. Sira Natural Bubble Hash may be vaporized, smoked, or added to other cannabis products to increase their potency.

USAGE & STORAGE INFORMATION

Storage & Usage

A dry cool place, like the refrigerator. Keeping them cool will make them easier to handle and help preserve terpenes

Top a bowl or add to joint

Apply a little bit to the top of a bowl or inside of a joint to boost flavor and potency.

Packaging

Sira branded packaging. White palm twist child-resistant jar and slide box.
