DESCRIPTION

Rosin is a solventless cannabis concentrate made from our premium quality Sira bubble hash or refined dry sift. The material is then taken and introduced to a low heat and pressure to yield a beautifully terpy and smooth concentrate for only the most discerning palate or high-end cannabis user.

USAGE & STORAGE INFORMATION

Storage & Usage

A dry cool place, like the refrigerator. Keeping them cool will make them easier to handle and help preserve terpenes

Dabbing/Wax Pen (Recommended Use)

Use your favorite dab rig or electronic rig to heat the material to consume. Also can be used in any wax pen with a kiln/coil.

Top a bowl or add to joint

Apply a little bit to the top of a bowl or inside of a joint to boost flavor and potency.

Packaging

Sira branded packaging. White palm twist child-resistant jar and slide box.
