TASTE/ SCENT

HASHY SWEET HERBAL SPICE

DESCRIPTION

Dream Lotus by Bodhi Seeds is a hybrid strain that was designed to recreate the widely cherished qualities of Blue Dream, but with an accentuated chunky bud structure. Dream Lotus possesses hashy-spice and sweet herbal notes that can be detected on the exhale.

PARENT #1 : Blue Dream

Sativa-Dominant Hybrid

Blue Dream, a sativa-dominant hybrid originating in California, has achieved legendary status among West Coast strains. Crossing a Blueberry indica with the sativa Haze, Blue Dream balances full-body relaxation with gentle cerebral invigoration.

PARENT #2: Snow Lotus

Indica-Dominant Hybrid

Snow Lotus is a mostly indica cannabis strain bred by Bodhi Seeds. Also known as Goohead, Snow Lotus is parented by an Afgooey female and a Blockhead male.
