### DESCRIPTION

---

Sira produces a range of whole flower premium cannabis packaged in 1/8th containers. Featuring a mix of staple strains exclusively found at Sira as well as popular strains from well-established breeders. Our internal phenotyping and staff-patient R&D programs, help us determine which trending strains we keep or remove from our offerings. We assess our flower for quality through all the steps in a plant's life cycle to ensure only premium flower is packaged.
