

MyCare 6
EXTENDED
WARRANTY

MyCare 6

EXTENDED WARRANTY

GUARANTEED EFFICIENCY FOR 6 YEARS

Mattei announces a new **MyCare plan** for its customers, providing **6-year warranty coverage** against unforeseen expense and guaranteeing thorough maintenance at regular intervals to keep your compressor operating perfectly - thus avoiding expensive downtime.

By extending the warranty coverage you benefit from regular maintenance, guaranteeing an extension to the **effective life-time** of your system and avoiding failures and wasted energy. Furthermore, **operating costs are reduced**, thanks to efficient plant operation and **maintenance cost control**.

Mattei provides experienced **after sales service**, capable of responding quickly to requests for assistance. Maintenance is carried out by qualified engineers who have attended internal training courses and who constantly maintain their knowledge of new models and new features within the Mattei solutions portfolio. MyCare 6 customers can also refer to **Mattei Help Desk** services for any additional needs and information they may require.

PROTECT YOUR INVESTMENT

"Extended MyCare Warranty - choose the service that best suits your needs!"

With **MyCare 6** you can extend the life of your air compressor."

The MyCare 6 programme is available **free of charge** and customers have up to 90 days from the date of installation to join, either via a distributor or directly with Mattei. The only requirement is a signed, **scheduled maintenance contract**.

Our rotary-vane compressors are designed to operate for no less than 100,000 hours. Should something unexpectedly still go wrong, **we're 100% committed to protecting your investment**.

We are, and always have been, dedicated to providing our customers with the most thorough, dedicated high level of quality and service.

GUARANTEED PEACE OF MIND

Mattei's MyCare 6 pledge is aimed at all those customers who wish to benefit from a six-year **"ALL INCLUSIVE" extended warranty**. Allowing the best use of scheduled maintenance plans to optimise component lifetime, whilst benefiting from less waste to achieve high performance from the system throughout the life of the compressor.

Without correct maintenance, pressure drops can occur, which in turn cause a reduction in system efficiency. With MyCare 6 extended warranty, all components can be replaced rapidly with original parts. The diligent use of **Mattei genuine spare parts and lubricants** also leads to consistent performance and reliability over time, assuring the long-lasting lifespan of your air-end.

THE ADVANTAGES of MyCare 6 plan are:

- Free 6-year cover on Mattei air compressors
- Avoid hidden costs and surprises
- Guaranteed performances with genuine Mattei spare-parts
- Guaranteed Mattei quality assured assistance at all times
- Labour-costs for installation and dismantling included (in accordance with Mattei official repair-timing guidelines)
- Even greater improvements in compressor efficiency over time

The company's commitment to product development, as well as quality and service, is what makes Mattei rotary-vane compressors the machine of choice in countless industrial applications.

Mattei provide dedicated maintenance-service which enables rapid and effective intervention to restore system operation at maximum efficiency.

Mattei rotary-vane compressors are the best solution for those looking for quality compressed air with cutting-edge technology and unrivalled efficiency and performance.

Correct maintenance, carried out at regular intervals is the best way to ensure the effective lifetime of your compressor, avoiding failures and wasted energy.
