**Reserve Now. Class Size Is Limited.**

Registration Deadline - February 15, 2020

## GET THE MOST OUT OF YOUR EQUIPMENT

**The best training in the industry.** Both classroom and hands-on demonstration are offered with your registration. Learn how to properly use and maintain your equipment. Classroom instruction will be held at the Schwing Bioset Fort Myers location with working models and cut-aways of components. Hands-on demonstrations will be offered and attendees can work directly with equipment and component assemblies, offering a full understanding of equipment function, use, and safety.
