# RENTING

Whether you're already renting through Harcourts or want to apply for a property we manage, Harcourts continues to adjust real estate processes, in response to the Government's latest COVID-19 guidance, to ensure you can continue with your plans.

## PROPERTY HUNTING

### Virtual tours

Wherever you can, use the photos, floorplans, videos and virtual tours provided, to understand if the property meets your needs.

### One-on-one inspections

Harcourts will work with you, to arrange one-on-one property inspections as required.

## APPLYING TO RENT

### Handling paperwork

Email and sign-on-glass options enable agreements to be finalised virtually.

## TIME TO MOVE

### Keys and property handover

Harcourts will work with you to provide keys to your new rental, and complete the property handover, with as little contact as possible.

## ROUTINE INSPECTIONS

### Routine inspections

Harcourts will work with you to organise any necessary inspections via video call.

### Maintenance

One-on-one appointments enable professional tradesmen to continue to assist with property maintenance issues.

Our team are equipped to deliver all meetings via phone or video conference, however when access to the property is required, we are strictly abiding by Government-issued health and safety protocols.
