

## HEALTH AND SAFETY AT HX 2020

The safety of our clients, team members and business partners is our top priority and we are closely monitoring the latest health guidance for COVID-19, coronavirus. HX 2020 is scheduled to proceed as planned. According to the Ministry of Health, risk to the New Zealand public as a result of coronavirus remains low. We are closely monitoring developments and will take immediate action where required, following guidance from the Ministry of Health. We encourage everyone to become familiar with the [World Health Organization's advice for the public to protect against coronavirus](#). If you are travelling internationally to HX, the latest World Health Organization travel advice can be found [here](#). If you have already registered for HX and have been affected by Coronavirus (COVID-19) or are subject to travel restrictions as a result of this situation, please contact our NZ Events Manager on [eventsnz@harcourts.net](mailto:eventsnz@harcourts.net) . We will keep this page updated, so please check back regularly.
