- We have led on the creation and delivery of a number of apprenticeship programmes including the first digital marketing apprenticeship.
- In 2016, Ofsted rated us 'Outstanding' in every area making us one of the top 5.6% of all independent learning providers.
- We're one of the fastest growing providers in the UK and recently won the exclusive rights to deliver finance and HR apprenticeships across Civil Service Learning, and also chosen as approved providers across the public sector for a selection of apprenticeships.
