

QuickBooks Online Service Plans

Offered By: KerberRose

Silver Plan \$150/hour

- Ideal for an organization needing minimal help with occasional questions
- Provides access to a KerberRose team member
- KerberRose answers general QuickBooks questions and provides support
- We assist with: initial set-up, converting from QuickBooks Desktop to Online, adjusting payroll liability, classifications, coordinating bank feeds, creating custom reports, and more

Gold Plan \$500/month: Minimum three-month commitment

- Ideal for an organization without a staff accountant
- Provides ongoing support from a KerberRose team member, operating as your accounting support
- Includes assistance with all functions of QuickBooks Online, such as payroll, sales, transactions, reports, etc. (Additional investment for financial statement processing)
- Contracted service for up to four hours per month
- Time above four hours reverts to hourly rate (\$125/hour)
- On-site assistance offered (travel time will be deducted from monthly plan hours)

Platinum Plan \$5,100/year (\$425/month average)

- Ideal for an organization without a staff accountant and/or a plan to hire a staff accountant
- Provides 12 months of bookkeeping support through QuickBooks Online
- Includes 48 hours of service throughout the year, which can be used at anytime
- Time above 48 hours during the 12-month period reverts to hourly rate (\$125/hour)
- On-site assistance offered (travel time will be deducted from monthly plan hours)
