See what our customers say about us:

"Barilliance personalization software surpassed our expectations and drove conversion and cross sell up to record levels while literally saving hundreds of hours in manual work. Definitely a great tool and partner in our marketing strategy"

Juan Larrauri,
Digital Marketing
Manager - LG Spain

"I have worked with Barilliance for a number of years and have always been delighted with their service. Both implementation and on-going maintenance have been straightforward and hassle free. I unreservedly recommend them"

GJ Garth, JD Sports

SurfStitch.com

"By implementing the abandoned cart email solution, we were able to achieve a 300% revenue lift on our previous efforts in this area and were able to more than double our previous ROI."
