AppZen Recognized as a 2019 Great Place to Work-Certified™ Company

---

San Jose, Calif. – May 15, 2019 – AppZen, the world's leading AI platform for modern finance teams, today announced that Great Place to Work® has certified the company, recognizing its commitment to employees, company culture and a positive work environment. The Great Place to Work® Certification is a significant achievement. Using validated employee feedback gathered with Great Place to Work®'s rigorous, data-driven *For All* methodology, certification confirms nine out of 10 employees have a consistently positive experience at AppZen. Great Place to Work® is the global authority on workplace culture, employee experience and the leadership behaviors proven to deliver market-leading revenue and increased innovation.

"We are proud to be Great Place to Work-Certified," says Matt Zelen, Chief Operating Officer at AppZen. "At AppZen, we are committed to creating a positive work environment. We care and have empathy for one another the same way we care about our customers and our community. We're proud of our culture and thrilled that our employees have had an overwhelmingly positive experience with their peers, leaders and their career growth here at AppZen."

"We congratulate AppZen on its Certification," said Sarah Lewis-Kulin, Vice President of Best Workplace List Research at Great Place to Work®. "Organizations that earn their employees' trust create great workplace cultures that deliver outstanding business results."
