

Xerox® Phaser® 6000 Colour Printer

Small size, great colour, fast printing

With a compact size that saves precious office space plus best-in-class print speed, Xerox makes colour the easy choice with the refreshingly office-friendly, value-packed Phaser 6000 colour printer.

• **Print**
A4
10 ppm colour /
12 black and white

WxDxH:
394 x 304 x 233 mm

Weight:
10.7 kg

Outstanding colour

- Proven Hi-Q LED print engine is energy efficient and has a small footprint. It's the same breakthrough print engine technology found in some of our higher-end graphics-arts devices.
- A print resolution of up to 600 x 600 x 4 dpi delivers an amazing 16 shades of colour per pixel. That means a wider colour range for more impressive business graphics.
- Unique Xerox EA Eco toner technology gives you crisp text and printed images with superior detail and clarity. It's the same high-quality toner used in our professional graphic-arts colour devices.

Easy in the office

- The main paper tray supports a wide range of custom media and sizes, from labels to card stock to envelopes.
- Easy installation and pre-loaded toner cartridges make this printer virtually plug-and-play.
- Super-quiet operation lets you keep your printer nearby.
- Only four replacement items: the small, easy-to-load toner cartridges.

Productive performance

- Don't let the low price fool you. Phaser 6000 printer supports your business documents requirements with a host of built-in features.
- Superior performance gets your jobs out fast, with print speeds as fast as 10 ppm for colour and 12 ppm for black and white.
- With a 192 MHz processor and 64 MB standard memory, the Phaser 6000 handles your daily workload – whatever you print.

Phaser® 6000
