IDEA

MIE Trak Pro

3D Printing

ERP Platform for Additive MFG

HOW WE HELP

Digital manufacturing is the final link to unlock mass production in the AM industry and rethink innovation as a new business model. With MIE Trak Pro, you can accelerate and enhance 3D printing processes. Our analytical cost model is tailored to the AM ecosystem. With MIE Solutions, you are one step closer to a perfect 3D print!

WHY CHOOSE US

▶▶ Quick Turnaround

▶▶ Quality control / Supply chain

▶▶ Automation & IT Integration

OUR SERVICES

Production Control Software
Employ lean production techniques for data collection, material handling, and job costing. Go green with paperless initiatives.

3D Quoting Module
Use MIE Trak Pro to create custom quotes with ease. Develop pricing for parts and projects while receiving detailed breakdowns every step of the way!

Reports That Matter
Using drag-and-drop, easily create personalized dashboards that can be displayed in multiple locations in the factory to manage your 3D prints.
