

20 20 **MEETUP**

Hi there,

Every year we look forward to connecting with the wireless industry at the iQmetrix Meetup to share knowledge, learnings, and laughs. Given the prolonged and overwhelming concern and uncertainty around COVID-19, we have made the difficult decision to cancel this year's event.

This was not an easy decision to make. We have been closely monitoring the situation and, although September seems far away, we have decided it is best to make the call now to be proactive in the best interests and well-being of our clients, sponsors, and staff.

While we are extremely disappointed to not be able to come together with our amazing community in person for Meetup, we are committed to staying connected and are working on ways to share thought leadership and encourage safe networking experiences wherever you may be.

If you have questions, please do not hesitate to reach out to our team.

We wish you health and safety.

Stay well,
Stacy Hamer
