Serial Mail Fraud Suspect Arrested Using Private LPRs

The Breakdown

Serial package thief is behind bars and facing federal charges thanks to the Sandy Spring Police Department and their access to 70 private LPRs.

Victims of package theft with Flock Safety provided police with the suspect's vehicle and plate details.

With custom hotlist alerts, officers found and arrested the suspect, which led to federal charges in connection to hundreds of cases of mail fraud across the country.

How it Works

- ① Flock Safety team educates your community on how LPR helps solve crime
- ② Neighborhoods purchase Flock Safety cameras and opt-in to share with police
- ③ When crime occurs, your network for finding evidence is bigger than ever!
