

Payments & Consent

Payments have always been more difficult than they should be for school communities, providing yet another hassle for time-poor parents and administrative burden for members of staff.

We developed our payments functionality to make this process significantly easier. From setting the costs of courses online to establishing payment plans for parents and carers for additional flexibility; from live updates for staff when payments have been made to the ability for parents and carers to pay from the mobile app, we've got it all covered.

By enabling parents to make fast, fuss-free payments for school or course fees, events and excursions (while granting consent), and even the canteen (alongside placing lunch orders), Compass increases your school's chances of being paid while reducing the administrative time spent chasing up payments throughout the school year.

Best of all, you can feel fully secure in the knowledge that Compass is Payment Card Industry Data Security Standard **(PCI DSS) Level 1 compliant**, ensuring the security of all payments made through the platform.

Benefits

- ✓ Consolidate your payment and consent process into one workflow, online or in the Compass app
- ✓ Process payments from credit or debit (Mastercard or Visa) cards, or from the Camps, Sports and Excursions Fund (CSEF)
- ✓ Receive regular updates on when payments and consent have been completed
- ✓ Integrate with with multiple Compass modules, including Events, Course Confirmations and Canteen
- ✓ PCI DSS Level 1 compliance to ensure the highest level of security for all payments

Top Tip:

While Compass does not currently offer a specific module for processing payments for school uniforms or additional school items, the Compass Team have assisted many schools in establishing custom processes within the platform to meet these needs. **Let us know how we could help you.**
