

# MORNING BRIEFING

A Shareholder Update

Fall 2019

## FIRST IN THE MIDWEST

On May 28th, Mi BANK (pronounced “My Bank”) officially opened its doors as the first new bank in the Midwest in over a decade. Each day sees us growing to meet and exceed the goals we’ve set.

Please note that you should have received correspondence from Continental Stock Transfer & Trust Company regarding your shares of MiCommunity Bancorp stock, which are being held electronically in your account at Continental. If you did not receive correspondence, please let us know, and we will ask Continental to resend your introductory letter.

## GRAND OPENING OF MAPLE & LAHSER

If you haven’t had a chance to visit our Maple & Lahser office yet, here are some pictures to give you a peek. But there’s no substitute for seeing it with your own eyes, so stop by soon. We’d love to give you the grand tour.

## RIBBON CUTTING & SHAREHOLDER CELEBRATION

Speaking of the Maple & Lahser office, we cut the ribbon there June 3rd. And on June 17th, we held the Mi BANK Shareholder Celebration.

Thank you to everyone who came out to these events. The turnout at our Shareholder Celebration was particularly encouraging, with more than 170 attendees. It was a pleasure to meet and talk to the people that make Mi BANK possible.

## LOANS & DEPOSITS

In our first three months, we’re proud to have worked with so many new clients to fund loans and open accounts, and many of these accounts have been opened by shareholders like you.

We at Mi BANK can’t thank you enough for the trust you’ve shown us. If you haven’t had a chance to open your account or would like more information on our products and services, please give us a call. We’d be happy to introduce you to your dedicated banker.
