

United Nations Convention on

# a child's right to play

Article 31 You have the right to play and rest.

When I play, I use my imagination,  
I characterise, I explore, I discover,  
I organise, I lead, I delegate, I contribute  
and relate my ideas, I question,  
I compromise, I follow.

I work both cooperatively and  
independently, I create, I socialise,  
I practice caring and sharing, I regulate my  
emotions, I indulge my senses,  
I re-enact my experiences and tell stories  
through games. I negotiate and problem solve.

I am making sense of my world  
and my place in it.

I am learning through play  
for I will make a difference  
one day.
